

Dear Readers,

We are happy to announce we have successfully matched The Fall Summertime Foundation \$10,000 Matching Grant. In the near future we will share with you how every penny of the \$20,000 was spent. We continue to be overwhelmed with requests for assistance and are very grateful for you continued support. Thank you for your generosity and caring and sharing for your fellow creation.

We are currently in the midst of a lot of media attention. This week we will be filming an episode of On the Road with Steve Hartman, to air this Friday, November 18, 2011 on the CBS Evening News. We will be sharing with Steve Hartman several visits with our local struggling poverty stricken fellow Americans. We hope this brings more awareness to our mission and to the plight of our country. Our hope and prayer is for other people to be inspired to do what they can in their own communities to help the less fortunate.

Due to many requests for the remainder of our column from two weeks previous we have asked The Lake Geneva Regional News to run part two of the CNN story. It was only available online due to the length of the column and many people said they did not have online access. We will be giving you more information about their visits in upcoming columns.

Please continue to vote for Sal for CNN Hero 2011 at www.cnnheroes.com . We only have a few more weeks to show our support. You can vote up to ten times a day per email address and facebook account. The \$250,000 award would be very beneficial for our fellow Americans in desperate need. Thank you for voting!

Health and Happiness, God Bless Everyone, WC/Sal
