

This is our eleventh year of sharing with all of you the lives and struggles of the poverty stricken. We are proud of all we have accomplished in the past eleven years. Over 500 families, senior citizens, the disabled, children, single mothers and many, many suffering debilitating illnesses and injuries were spared the pain and suffering of poverty. They would never have known how it feels to have a helping hand, would never have been spared homelessness and hunger, utility disconnection, job loss and much more, if it wasn't for your caring and sharing hearts.

From the very beginning, from the very first letter we shared with all of you, your hearts responded with generosity and compassion for those less fortunate. Now it seems everywhere we go there is someone that knows someone that has been touched by our kindness. This is all thanks to all of you.

My dear friends, poverty is causing great pain among our fellow creations. Let us stand together and continue our good works of removing the pains of poverty. God Bless all of "You" for helping.

*Health & Happiness, God Bless Everyone, W.C./Sal*
